

### **Wire Transfer Information**

You must complete the Wire Transfer transaction four weeks before the deadline for payment of tuition. You must provide our office with a receipt showing the exact date in which the wire was issued, the amount of the wire, a reference number identifying the wire to the receiving bank, and the corresponding bank through which the wire will reach our bank.

A receipt is not acceptable as proof of payment. If the funds are located after the deadline, you may incur an additional \$100 late fee.

Please keep in mind that since the bank may charge you a fee for this transfer, you will need to **add an extra fee of \$20.00 to the total amount of the wire.** You are also responsible for any additional fees.
